Soho Hair and Beauty

About Us

Never average always exceptional! An award winning salon brings a touch of New York to Christchurch.

Soho Hair and Beauty is situated in the heart of Christchurch's fashion mecca. The New York loft-style space has floor to ceiling windows exposed red brick and polished concrete floors. This offers clients a sophisticated urban space in which to relax and be transformed.

Clients can relax in our comfortable lounge and catch up with the latest fashion magazines while they enjoy an espresso coffee and delicious home-made biscuit.

Soho believes in quality and is an exclusive stockist of Redken and Sothys retail and technical product. All team members are highly trained, creative and have extensive product knowledge ready to make the right recommendations for you.

At Soho we also offer a full range of beauty services from massage to manicures. This allows our clients time saving convenience, What could be more pampering... than enjoying a manicure or pedicure while you're having your hair coloured? We offer packages from top to toe luxury treatments to an express quick fix.

Soho is now owned by Alana Fiebig, who plans to make it the city's best. Our main focus is client relationships. All our clients should feel 100% comfortable when they come to our salon as we not only offer a guarantee of high quality service but promise you an experience you will remember.
